"Those who leave us
in the springtime
of their lives
will greet us again someday
in a land
where springtime
is eternal."

DEDICATION

During our four years at Billerica Memorial High School there has been one person who has helped us through so much. You have been there through all our bad times and to share the good times. You have shown us the true meaning of friendship. When we leave BMHS we will take with us the fondest memories of you. For your support, understanding, and friendship, we **the class of 1983,** dedicate our yearbook to you, **Mr. DerMarderosian.**

CLASS OFFICERS AND ADVISORS

To be successful in life & be with Linda forever, to be healthy.
Hanging around the wall, all my visits to the office, my cut slips, the Junior Prom and the party afterwards. I'll always remember working off my detention hours for Mr. D, all the awful lunches I ate, the summer of eighty-two and the times I remember best are the ones with my girlfriend, Linda who is my best memory. Lunch, class, and walking corridors.

To be what I may be, Live while I live, then die and be done with it.
For those whom I have met, is ever present a sense of awareness, may it be friend, foe, or acquaintance.
My memories are within. And I cannot and will not display my thoughts; to whom I do not know, therefore, will have no significance toward. Note, I do not wish to be rude but merely honest.
Value life for what it is, rather than what it may become; for life is short.

Football

The Billerica High Football Team did not have the season that was expected, but they all enjoyed themselves. They suffered some tough losses to powerhouse teams. They lost an 8 to 6 decision to the undefeated Methuen squad, and they fell to a 21 - 12 decision to Lowell. The team still managed three victories. They defeated Haverhill 14-13 as Mike Marshall rushed for over 200 yards. They shut out Lawrence Central by the score of 14-0, and they defeated Greater Lawrence 18-14. The game was capped off by an electrifying eighty-yard run by Ken Sheehan. They dropped to Wilmington 30-0 and Tewksbury 25-0. They also fell to Dracut and Andover.

The seniors making their last appearance in Billerica uniforms are the following: Ken Sheehan, Grant Whiteway, Gary Grant, Paul Kinsella, Nick Budesky, Bob Hatch, Mike Marshall, Dave Perrow, John Grella, Sean Reardon, Chris Carbone, John Cawthron, Bill Powers, Tim Duggan, Tim Coppinger, Ken Doiron, Steve Skinner, Bob Burkhardt, Dwayne Cassidy, and Paul Plauski. The team would like to thank Coach Meyerhoeffer, Coach Vig, Coach Sid, Coach Flynn, Coach Bannister, and Coach Tholander for all of their hard work.

Girls Soccer

Although this was a first year team, our girls finished with an impressive overall record of 8 wins, 6 losses, and 2 ties.

After a 2 and 4 start the team began to jell, and with senior Jane McDonald filling in at goal for an injured junior, Stephanie Stagliano, they ran off an impressive string of 7 consecutive shut-outs. Included in this was a 0-0 tie with Andover, a team which was at the time 8-0-0.

The girls team did remarkably well with 1st year players such as senior Jane McDonald, senior Janice Goggin, sophomore Michelle Blanco, and senior Chrissy Sullivan, who had never played a game of soccer before, meshing well with girls who came up through the Billerica Youth Program such as Sue Canfield, Michelle Cosentino, Sue Poulin, Kathy, Karen, and Jean Kinsella, Daniele Babin, Gina Gualteri, and Stephanie Stagliano.

Despite running off 7 straight shut-outs, the girls' team just missed the state tournament by a narrow margin.

We also had an impressive representation for our All-Star Team. Our replacement goalie Jane McDonald worked her way up to the most popular goalie receiving an overwhelming vote from the coaches for the 1st string position. She also was nominated as our league's representative as a Globe All-Scholastic. All-Star honors also went to our outstanding Captain Sue Canfield and one of our top scorers Gina Gualtieri. Honorable Mention was also placed upon Jean Kinsella for her performance as a strong and aggressive half-back and Chris Sullivan.

Despite losing seniors Sue Canfield, Jane McDonald, Janice Goggin, Chrissy Sullivan, Michelle Conentino, Natalie Mindock, Mugs Sullivan, Lori Reardon, coaches Pat Minishak and Tom Severo look forward to an even stronger season next year.

The girls would like to thank Pat Minishak and Tom Severo for all the time and effort that they put into making the team successful this year.

The Billerica High School Varsity Soccer Team got off to a good start in 1982 with wins over rivals Chelmsford, Tewksbury, and Lowell. At midseason we were 6-2-1 and challenging for the lead. Key injuries to goalie Ron Berton, midfielder Greg Hamilton, and top goal scorer Leon Gastonguay proved to be fatal to our drive to the playoffs. In the second half of the season, we faltered and ended the season in fourth place with an 8-6-4 record. The playing experience that the underclassmen got this year should put us in a good position to challenge for the championship next year. The following seniors have played their last game for Billerica: Tri-Captain and Second Team All-Conference Fullback Tom Flynn, Tri-Captain Mark Gallison, Tri-Captain Brian Pendleton, First Team All-Conference, Eastern Mass Division 1 All-Star Fullback John McCormack, high scorer Leon Gastonguay, fullback Mike Beaulieu, fullback Luke Maynard, midfielder Mike McCaffrey, midfielder Jim Hickey, forward Mark Canfield, midfielder Tom Kilday, forward Jack McHugh, forward Mike Dangora.

Boys Cross-Country

The boys cross country team, in its rebuilding year, still managed to win five meets while losing three. It came in fourth place in the Merrimack Valley Conference.

The team was led throughout the year by the only senior on the squad, Co-Captain Mike Busnach. He was voted outstanding performer. This year, Mike placed ninth in the Northern Area District Championship, seventh in the State-Coaches Invitational, and fourth in the Division I Championship. He was also voted to be a MVL All-Star Member.

Kevin Healey and Co-Captain Glenn Burlamachi, the only two juniors, will be looking forward to the number one spot next year. This year, Kevin received the "Coach-Captain Award" and Glenn received the "Most Improved." Other team runners who did a commendable job were sophomores David Burns and Scott MacKinnon and freshmen Kevin Crump and Jack Loureiro. The rest of the team members were Bob Dufault, Mark Rivinius, Tim Lynch, Steve MacCaffrey, and Jim Dunham.

The girls cross-country team, which has nine members on its squad, is enlarging itself every year. In its fifth year of competitions as a team, twelve runners signed up at the beginning of the season and three left the team during the first three-weeks of the season. During those five years, the Billerica teams managed to win 35 meets while losing only 4 which includes this year's record of six wins and two losses. They also came in 3rd place in the Merrimack Valley Conference and placed 5th in the Division 1 Cross-Country Championships.

The team was led again by Co-Captain Kathy Norton, who received the Outstanding Performer Award for 1982. Kathy was the winner of six races while placing 2nd in the other two races. Kathy was also voted to the Lowell Sun All-Star Team and to the Merrimack Valley All Star Team. Co-Captain Lynda Coye also excelled throughout the latter half of the season. Junior, Margaret Norton, received the "Most Improved Award" and was a consistent 3rd girl throughout the year. Margaret was also voted to the Merrimack Valley All-Star Team. The number two girl on the team, Kelly Egan, received "The Coach-Captain Award" and was also voted to the Merrimack Valley All-Star Team.

The other members of the team, all freshmen, and consistent point scorers were Paula Colby, Sharon Kelly, Joanne Riordan, Lynne Talbot and Janine Payne.

Girls Swimming

The 1982 edition of the BMHS Girls Swim Team finished with a record of 4 wins and 6 losses, while competing against a strong schedule which saw five of its opponents finish in the top eleven teams in the North Sectional Championships. The team had several strong individual performances during the season, but was hurt by a lack of experienced swimmers to provide the necessary depth for a successful year. Senior Tri-Captain Monica Hubert finished a great diving career with only one dual meet loss this season, while once again qualifying for both the North Sectional and State Championships. The female Indian swimmers were well represented at the Sectional Championships by senior Tri-Captain Brenda Christensen in the 100 yd. butterfly, 200 yd. medley relay, and 400 yd. freestyle relays; senior Sharon Ferris in the 200 yd. and 500 yd. freestyle events along with the 400 yd. freestyle relay. The following juniors also competed; Lynda Christensen in the 200 yrd. medley relay, the 200 yd. individual medley and the 100 yd. backstroke, Michele DiBiasio in the 100 yd. breaststroke, the 200 yd. medley and the 400 yd. freestyle relays; Kathie Conant swam on the 200 yd medley relay team. Also contributing to this season were senior Tri-Captains Maureen Ryan and Chris Leonard; Juniors Julie Chen, Trace Moriconi, and Paula Morrison; Sophomores Terry Bickford, Kim DeCesaro and Kim Miranda. and Freshmen Tina Chipman, Gayle Grattan, Jean Martin and Karen Rosa.

Volleyball

The Girls Volleyball team just concluded an outstanding season illustrating to all that the BMHS team was one of the best teams in the state of Massachusetts with the help of the "cheering" fans. From the school, Billerica advanced to the North Sectional Finals and took the number 1 seeded team in the state to the limit before bowing in four very close and exciting games.

The most important accomplishment this 1982 season was winning the Merrimack Valley Conference Championship outright during the last week of the season. The team started out slowly with a 3-2 record early, but once the team got it together they were almost unstoppable. The Billerica girls won 12 out of the last 13 games to take the title. A bright spot on the season was defeating MVC champion, Chelmsford, twice this year and destroying Tewksbury to avenge an early second loss.

Throughout the year it was a "team effort" that brought the team so many victories. However a few individuals deserve special credit:

MERRIMACK VALLEY ALL STAR TEAM

1st Team Jodi O'Brien*
1st Team Eva Miele
2nd Team Heidi Kennedy
2nd Team Tricia Hallet
Honorable Mention Lee Ann Kelly
Honorable Mention Nicole Brien

*Jodi O'Brien was also honored for MVP of North Section Tournament and Globe "All Scholastic".

Great Efforts were made by Melanie Berthiaume, Jennifer Renna, Ruthie Girad, and Denyse Corriveau helped the team to many wins. Strong support from Nancy Mucci, Janine Gifford, Melissa Renna, and a strong JV team make the future look bright for next year.

Football Cheering

The 1982 Football cheerleaders have had a super season this year. Again this past summer at U Mass at Amherst, the girls won many cheering awards including the most spirited cheering team. If you've been to the football games, you know how well the girls have displayed the very difficult cheers and mounts this year.

Under the direction of Captain Lisa Livsey who did a superlative job for us, the cheerleaders have provided the very necessary enthusiasm and spirit at the football games.

Seniors Lisa Livsey, Lea McLaughlin, Justine Burke, Sandy Gillon, Laurie Patriquin, Tracy O'Brien and Jeanne DePietro have had superb seasons.

Juniors Jean Mattucci, Karen Raimondi, Lisa Marmiani, Noreen Harty and Brenda Gambale had a tremendous year and all helped to make the cheerleaders such a fine team this season.

Vincent DeFeo, the teams advisor, is greatfully appreciated for his dedication throughout the season. He was a major factor in making the 1982 Varsity Football Cheerleaders such a success. Many thanks to him from the girls.

Powder Puff Football

The powder puff football games is a traditional game played between the senior girls and the junior girls the day before the Thanksgiving Football game. Although it is only a game of flag football, it turned out to be more exciting than a game of tackle football. Each team came to the field determined to win. The seniors were convinced that their long and many practices would be enough to ensure that their team would carry the day.

Even though the seniors lost the coin toss they knew a deep kick by Tracey Ryan would put their offensive squad in a good field position when the defensive squad recovered the ball, and they were right. The juniors' defense was strong enough to keep the seniors from gaining enough ground for a touch down. The game remained scoreless at the end of the first half.

When the seniors came back into the second half they decided that the junior defense was too strong to mount a successful passing game. It was time to use their running game. The seniors' offense was able to march down the field and got close enough for left back Debby Trant to take a pitch from the quarterback, and sweep left in for the first and what turned out to be the only touch down of the game.

Any chance the juniors had of coming back were crushed by the strong senior defense and a intercepted pass by Allison Clark. A late strong drive by the junior offense turned out to by too little and too late. The game came to an end with a six to zero victory for the senior girls.

Girls Basketball

The girls basketball team had a very impressive season this year winning their first two games of the pre-season. They then entered a rather difficult Holiday Tournament and fought for a victory over the hosts. They then fell to North-Middlesex and to Westford.

The team then started their League Play and from the pre-Season record it looked like it was going to be a great year. But soon their eyes opened as they lost to Dracut in a game that should have been won. This helped the girls realize that they had to excell in every area of the game for 4 quarters to win their share of games.

The highlight of the season was the extremely large win over Tewksbury whose winning streak of twenty-seven games was yielded as the Billerica girls ran them off the court. They then went on to beat Wilmington and Lawrence but fell to Methuen. The girls' record was then 3-2 entering the large division. An important game for the girls was Andover, a team who they wanted to beat badly because of their disrespectful attitude in running the score up. The girls fell to a 17-6 first quarter and never recovered. However, they went on to score more points than Andover in the final three stanzas.

Next came Lowell and Greater Lawrence, who went home with sad faces as the Indians also defeated them but the faces soon reversed to Billerica's side as they lost their worst game of the season.

The girls entered their division once again with just the opposite results as they beat Dracut in overtime and fell to Tewksbury. The team has had great efforts by everyone on the team, each knowing her won role. Heidi Kennedy, Maria Deamantopoulos, and Nicole Brien's chief role was to rebound the ball and they did. Christine Sullivan and Sue Canfield were the defensive specialists. Denise Corriveau and Karen Kinsella came in strong off the bench. Next was sharp shooting Carolyn Covino who hits from the base line with consistancy. And lastly were guards Wendy Bartell, who was the passing sensation, and Michelle Blanco a the great ball handler. Sue Baldwin was also a member of the team who missed most of the season with a knee injury. The girls are still in contention for the E. Mass Tournament, this would be a great achievement and also a great way for the seniors who will be leaving, to say good-bye.

Boys Basketball

Back Row: Jim Whiteway, Walter Cataldo, Mike Dagle, Robbie Glavin, Mark Staunton **Front Row:** Mark Gallison, Timmy Coppinger, Derek Dixon, David Perrow, Dan McNeil **Missing:** Sean Hufnagel

The Boys Basketball team (otherwise known as Hoyas) is enjoying a Merrimack Valley Championship and State Tournament qualifying season with an impressive 15-2 record.

The team was led by dominating senior guard Derek Dixon who leads the conference in scoring with a 22 point average. He also leads the conference with 10 thunderous dunks. Also giving the team a great deal of support was "Spark Plug" Mark Gallison, who averages 12 points a game and supplies the tough defense when needed. Sophomore sensation Mike "Cheeze" Dagle gave the team steady inside play while leading the team in rebounding and blocked shots. Clutch performances were a trademark of "Super Subs" Walter Cataldo and Sean Hufnagle who gave the team what it needed off the bench.

Two year starter Tim Coppinger ran the team with an iron hand on the court and supplied highlight footage with a 79 foot "Hail Mary" shot during the Lowell Holiday Tournament. Dave Perrow, a three year starter, gave Dagle much needed inside support with his steady performances throughout the year. Rounding out the squad was one senior back up center Dan McNeil and juniors Jimmy Whiteway, Robbie Glavin, and Mark Staunton.

The team would like to thank the dedicated fans who supplied the emotional lift that the team needed to find that extra effort.

The Junior Varsity team also enjoyed a fine season at 14-3 which could mean another fine team in the future.

Also a note of thanks should be given to Hector McDonald, Big Al, and Billy King who kept the stats very efficiently this season. The team would especially like to thank their coaches, Ed James and Kevin McDermott for their expert coaching and leadership.

Girls Gymnastics

This year's gymnastic team is headed by Captains Justine Burke and Kathy Harrigan. The team is made up of twelve competitors - seven of which are new to the varsity level.

Girls Gymnastics is comprised of four events: **Uneven Bars, Balance Beam, Vaulting,** and **Floor Exercise.** Each event has six entries and two team members of all-arounds must compete in all four events.

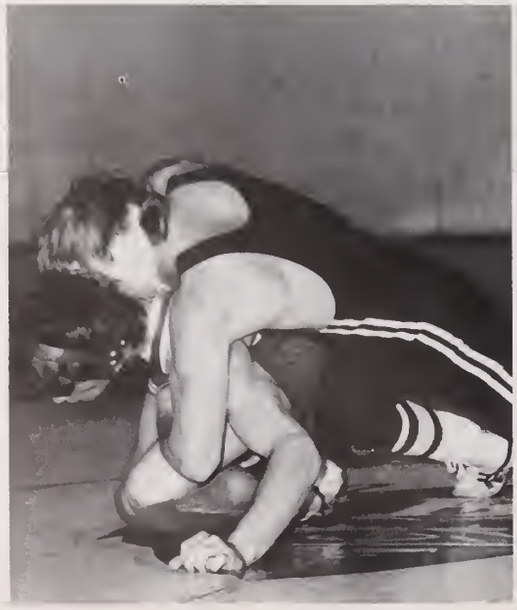
Leading the team in points this year is all-around competitor Justine Burke, followed closely by second all-around Brenda Pelletier. Both girls score approximately 24 points per meet.

Leading scores on Uneven Bars-Brenda Pelletier, Bernadette Lundy, and Captains Justine Burke and Kathy Harrigan. Leading on Balance Beam-top scorers are Brenda Pelletier, Captain Justine Burke and Bernadette Lundy.

Billerica's most outstanding event is the Vaulting Horse, where we have reached scores as high as 8.2. Earning this outstanding score was Captain Justine Burke. Other top vaulters are Bernadette Lundy, Brenda Pelletier, and Dana Edelhertz.

Our meet finishes with the Floor Exercise. This is a combination of acrobatics and dance patterns preformed by Captains Justine Burke and Kathy Harrigan, also Michelle Cristello and Brenda Pelletier.

Two behind the scenes team members of major importance for team organization are our managers, Nancy Fitzpatrick and Joan McHugh.



Wrestling

This year's wrestling team is enjoying its most successful season ever. We have just completed our first undefeated dual meet season with a 15-0-1 record and have won both the MVC tournament championship.

The 1982-1983 wrestling team has many outstanding wrestlers throughout the lineup. With the sectional and state tournaments still ahead we are hoping we can add two more championships to an already outstanding season.

Girls Indoor Track

The girls track team had a terrific season. Their record is 8 wins and 1 loss. They are also Co-Champions for the Merrimack Valley Conference.

Captains Maryann Harring, Kathy Norton, and Jeanne Amedure led a squad of mostly underclassmen to impressive victories through out the season.

The team worked very hard this season and will be a powerful force in the years ahead. Congratulations girls for a job well done.

Boys Indoor Track

Top Row- Bryan DeCelles, Dave Burns, Chris Breen, Gus Sliva, Dan Campbell, Kevin Crump, Bill Burke, Tim Lynch, Mark Rivinius. **Bottom Row**- Michael Dangora, Daniel Mahoney, Joseph Stanley, Thomas Flynn, Paul Viscione Kevin Healy, Glenn Burlamachi, Jim Dunham. **Center**- Michael Busnach, Kenneth Sheehan.

The Boys indoor track team, despite the preseason loss of tri-captain Sean Reardon with a broken leg, has posted a 4-3 record. Outstanding performances have been turned in by Gus Silva, with a sophomore record of 6' 1" in the high jump; the mile relay crew of Tom Flynn, Dave Burns, Mike Lynch and Glenn Burlamachi; and Mike Busnach, who is finishing up his second straight season of undefeated dual meet competition in the distance events. Seniors Grant Whiteway, Tom Flynn, Mike Dangora, Dan Mahoney, Joe Shanley, Paul Viscione and Co-captains Mike Busnach and Ken Sheehan will be missed, but next year's team promises to be a good one. Consistent point scorers returning next year are Kevin Healey in the two mile; Kevin Crump, Bryan Decelles, and Glenn Burlamachi in the middle distances; Mike Lynch and sophomore record holders Dave Burns and Gus Silva in the sprints; and an outstanding high jump crew led by Silva.

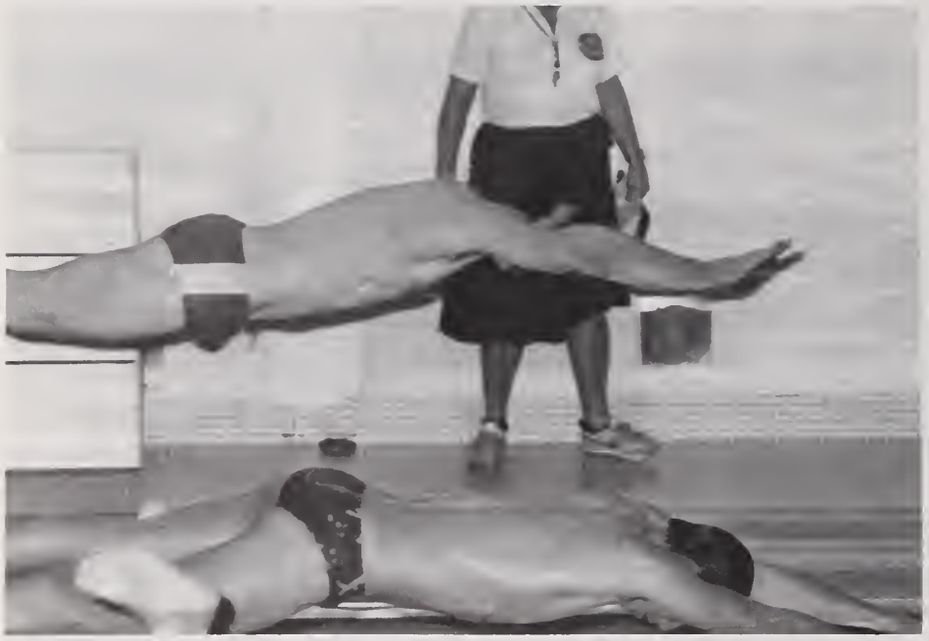
Hockey

The Hockey team started off the 82-83 campaign with two tough defeats to two Catholic Conference Powers. Since these two losses, Coach Richards crew has compiled thirteen straight wins, twelve of them in the league. This past Wednesday night the Indians played in front of one of the most phenomenal crowds ever to pack the Hallenborg Pavillion. They came back from a 2-0 tie on two key goals by Freshman Bobby Stickney. With this tie the Hockey team has virtually clinched the MVC title, but at the same time they must win their remaining three games.

This year's team has been led by Senior Tri-Captains Paul "Jack" Ames, Mike McCaffrey and Paul "Snake" DeGironimo along with Mike "Gunnerex" Hernon, Jack "Sac" McHugh, Richard "Mary" Brennan and Rick Milliken, who has been out most of the season with a knee injury, but with hard work and determination he hopes to be back in action when tourney time rolls around. A strong group of underclassmen have also contributed significantly to the Indians cause.

Finally, the strong defensive play of the team, along with the performance of "The Snake" has given them six shut-outs while only yielding eleven goals in thirteen games to their opponents.

The Indians are looking forward to the State Tournament once again and they hope to break their first round jinx and make it to the Boston Garden ice surface in early March!



Boys Swimming

Back Row: Kevin Davis, Ed Fay, Jerry Dumas, Jason Koskey, Chris Wren, Greg Hanlon, Barry Price, Phil Guecia, Mike Hubert, Chris Donovan, John Abbot, Coach Jack Stevenson. **Front Row:** Mark Morgan, Doug Grattan, Marty Boermeester, Chris Curtin, John Grella.

The male Indian swim team has completed their dual meet team with a record of 5-5, which included a 3-2 Merrimack Valley Conference record which was good for third place in the league. The team was led by Captains Kevin Davis and Doug Grattan, who swam the sprint and distance freestyle events. Seniors who contributed to this year's successful season were Marty Boermeester in diving; Chris Curtin; Individual medley and back stroke; John Grella, butterfly; and Mark Morgan in diving. Great support was provided by the following underclassman: Rob Chebook in individual medley and butterfly; Chris Donovan in breast stroke; Ed Fay in individual medley and breast stroke, Phil Guello, distance freestyle; Greg Hanlon, diving and back stroke; Jason Koskey, relays and breast strokes; Barry Price in the freestyle sprint and Jerry Dumais in distance freestyle. Coach Stephenson was very pleased with the efforts of this years team and is looking forward to a successful season next year.

Winter Cheering

Cheering for the hockey team during the 1982-1983 season was extremely enjoyable and exciting for this year's hockey cheering squad. Senior Captain Erin Ekberg, a returning veteran, took charge of this year's team and did a superlative job. Those Letter Award winners Lisa Livsey and Lea McLaughlin certainly helped to make this hockey cheering team one of the best ever. Seniors Lauren Burt and Linda Kirchner displayed their drive and enthusiasm superbly during each game. The lone junior on the team, Chris Connolly, did a terrific job all season long. The success of the hockey team certainly helped to make this season a rewarding cheering experience. The cheerleaders would like to extend their congratulations to the hockey team for a super year, and they look forward to cheering the players on in the State Tournament.

The 1982-1983 basketball cheerleaders had quite a lot to cheer about during this very successful basketball season. Under the excellent supervision of Captain Renee' Vacherot, a veteran from last year's winter cheering team, the basketball cheerleaders did an outstanding job helping to build spirit and crowd enthusiasm at all the games. Senior cheerleaders Kathy Dornan, Donna Garron, another veteran, Linda Krzyzaniak, Kim Turner, and Louella Vink all spent a lot of time and effort to improve all season long. The terrific fan support at the games this year made cheering much more enjoyable for everyone. The cheerleaders would like to congratulate the basketball team for a super season, and they wish the boys the best of luck in the tournament.

Since 1921, the National Honor Society has worked to bring the achievements of outstanding high school students to the attention of their classmates, their parents, their communities, and the colleges they plan to attend. Chapters in more than 25,000 secondary schools continue to try and give practical meaning to the Society's dedication to scholarship, leadership and character. Billerica, being one of those 25,000 chapters designs and maintains its own programs for using the talents of its members for the benefit of school and community.

The students of the Billerica Chapter have earned membership into the National Honor Society by effectively demonstrating the four qualities held in high esteem by the society-scholarship, leadership, character and service.

NHS Pledge

I pledge myself
Always to seek the light of truth,
To hold scholarly habits,
To engage in worthy service,
And to lead forward in all things
That shall advance the welfare of all.

"OUR PLACE"

"Our Place", a restaurant for the staff of BMHS and run by the students in Mrs. Pollard's Chef II class, had its grand opening in October, 1982.

The Chef II students spent many hectic hours before the opening preparing the restaurant for its first customers while Mrs. Cody's Power Stitching class worked on curtains, tablecloths, and aprons for the restaurant.

The students work hard every day to prepare and serve nutritious and exciting meals to the staff, who greatly appreciate their efforts.

FACULTY

ADMINISTRATION

TO THE GRADUATING CLASS OF 1983:

Through the past eighteen years or so you have experienced successes and failures in school and out of school. You have overcome the failures by working hard to achieve your goal-graduation from Billerica Memorial High School.

Life from this point on is very much the same. You will be faced with successes and failures as you proceed to college, business, industry, or the military service. You will need to learn from your failures so that your successes will far outweigh them.

If you maintain a strong will and determination to be successful in whatever you do, I am sure you will be as proud of your accomplishments in the future as you are today.

Paul J Heffernan

Mr. Paul J. Heffernan
Superintendent

Mr. Nuttall

Mr. Houghton

Dear Members of the Class of 1983:

It gives me great pleasure to personally congratulate you on having successfully completed the requirements for your high school diploma.

While the economic picture doesn't look too bright at this time, I feel confident that all of you have been prepared to either continue your education or enter the world of work. Whichever you choose will be an important decision. It will have a lasting effect on you, members of your family and friends.

Over the last few years you have not only completed your secondary school education, but you have matured into young adults. With these important milestones behind you, you should find it somewhat easier to make important decisions in the future.

The very best of luck to all of you.

Sincerely,

William Archambault

William Archambault
Principal

To the Class of 1983:

Graduation is an end and a beginning. You have time for a brief glance back at these past four meaningful and significant years we have shared together, but now comes the time for you to deliberate on some of the most important decisions that you must make in your young lives. You should be fully aware of what is before you, and face the future with confidence, determination and courage.

To the Class of 1983, I sincerely wish you health, happiness and success.

Emerson once wrote: Be true to yourself and be true to your principles, and you can remake yourself and the world.

Sincerely yours,
